(drained college student seeing amount of reading that professor gave)

Why is there so much reading to do in college?

(drained college student)

Advised on tears

(very college readings)

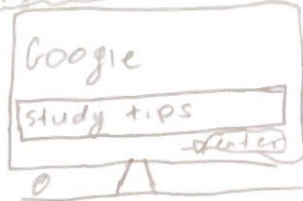

(this is a laptop/desktop)

(student opens laptop/desktop and goes straight to Google)

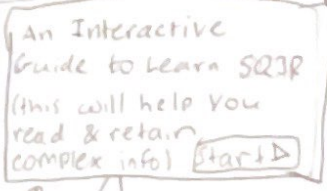

I need study/reading tips

(student Google's study tips)

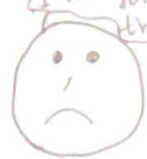

this looks helpful

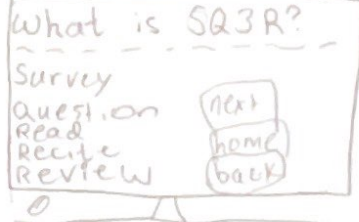

sq3r.com

(college student finds useful website)

I'm going to look through this now

(college student reads through website)

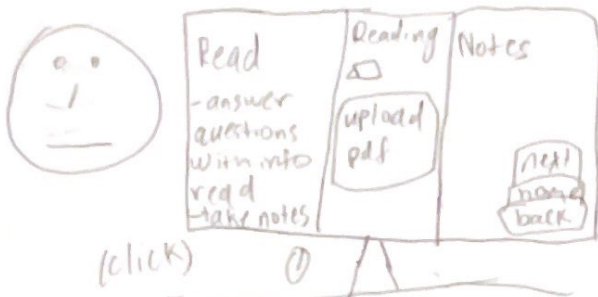

highlighter

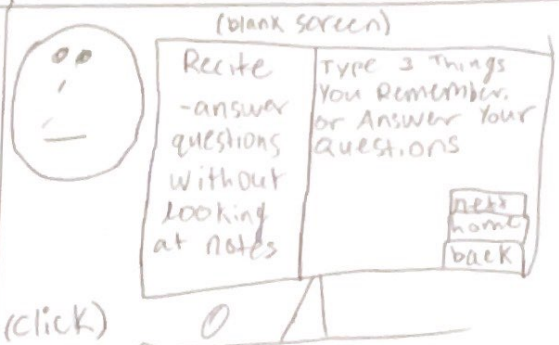

(reads through survey)

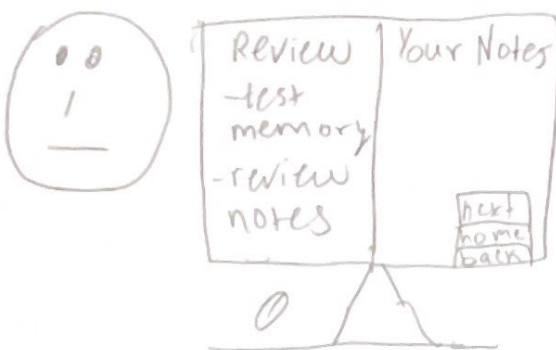

(reads through question)

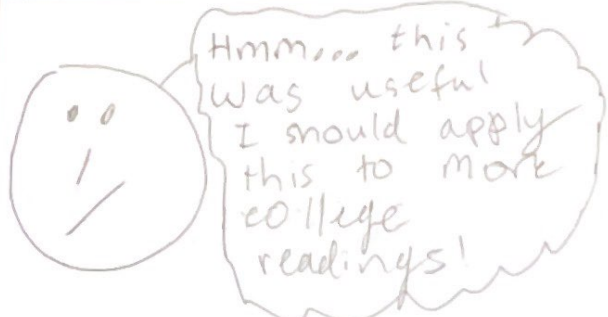

(reads through read)

(reads through recite)

(reads through review)

(after reading through SQ3R website)
